# THE BRAND

**AllChignon** is a line of fashion accessories entirely dedicated to the chignon and the only one in the world for quality and completeness. **AllChignon** was created by women for women, who want an elegant, original hairstyle for every occasion, simply and quickly.

**AllChignon** is aimed at women who have a busy lifestyle but do not wish to give up their 'special look'.

**AllChignon**, created by Stephanie Srl, offers an optimal solution for when there is no time to go to the hairdresser and hair has to be perfect for that all-important occasion.

*allChignon* is:

CHARME

ELEGANCE

EASE-OF-USE

SAVING

# DESIGNED FOR

Women with long or medium-long hair:

- who are busy in the world of work or business and want the authoritative air that a jacket and tie gives a man, whilst maintaining feminine charm and style
- who are involved with official events and ceremonies, such as weddings, christenings and confirmation, and who wish to feel extra special
- who play sports (gymnasts, ballet-dancers, skaters and synchronised swimmers)
- who wear uniform for work (armed forces, receptionists, hostesses)

## HISTORY OF THE CHIGNON

As far back as can be remembered, the chignon has been a symbol of class and style, reigning supreme as one of the preferred hairstyles of the stars and women who wish to look different; from Ancient Greece and the Roman Era, the Renaissance Period, when women added gems and ribbons, the Victorian Age and the 1950s, with Audrey Hepburn and Brigitte Bardot, to the stars of today, such as Nicole Kidman, Penelope Cruz, Anne Hathaway and Scarlett Johansson; even fictional characters, such as the delightful Eva Kant, the girlfriend of Diabolik.

# EASY CHIGNON

With **AllChignon** fabulous chignon hairstyles are easily achieved without the help of a hairdresser. They provide the best solution for women who want to have their hair looking really special in the minimum of time and, importantly, without the need for hairpins which pull the hair and cause discomfort. This solution is called **Easy Chignon**, produced by Stephanie srl.

## WITH EASY CHIGNON:

- it is easy to achieve perfect chignons in just thirty seconds,
- without the use of hairpins or hairgrips, which can pull the hair and cause discomfort, and may fall out with movement,
- it is possible to create a tidy hairstyle, which is both light and stylish and comfortable to wear

## THE ADVANTAGES OF EASY CHIGNON:

- quick and easy to use (for today's busy women)
- does not pull the hair or feel uncomfortable, (for women who want to feel good about themselves)
- does not require hairpins or accessories which can get lost (important for ballet dancers, gymnasts, ice-skaters and synchronised swimmers)
- stays in place (without the worry of having to re-tidy it).

To learn how to use **Easy Chignon** watch the pictures and experiment with a central or side chignon, single or double chignon, perfectly neat or with one or two loose tresses, to suit the occasion and outfit.

# THE COLLECTIONS

**AllChignon** is a symbol of charm and style in its collections of beautiful chignon-covers and accessories dedicated to chignon hairstyles, where every woman can find her preferred style for any occasion. In this fashion line, many categories of products have been created, using precious materials and creative styles, in both the classic style and newer fashion trends but always with a touch of originality. Each model is designed with elegance and fashion in mind. Each item is made by careful female hands.

**AllChignon** proposes two collections every year:

- Autumn/Winter Collection, highlighting colours and materials appropriate for the colder months, with special attention to glittering fabrics for Christmas.
- Spring/Summer Collection, which incorporates vivid colours and exquisite materials.

Special attention is given to products for dancers, gymnasts, skaters and all activities which use chignon hairstyles on a daily basis as a means of securing the hair with a touch of style.

The **AllChignon** Spring/Summer Collection comprises 145 models and 330 articles in a wide range of colours. Some of products are on the shelf.

# NET

These are chignon-covers made of either matt or glittering yarn or of tulle or lace, often lame, available in a wide range of colours. They are light and practical - suitable for all types of chignon (base or top of the neck, top centre, upper or lower side of the head).

# TEXTILE

These chignon-covers are made from a variety of fabrics (chiffon, satin, tulle, velvet and so on), which appear transparent and allow the romantic chignon hairstyle to remain visible. Perfect matches can be made with clothes - in general, they are suitable for chignons at the lower centre neck but some styles can be used on lower side chignons.
